

EXHIBIT E

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF OHIO
EASTERN DIVISION**

In re: NATIONAL PRESCRIPTION OPIATE LITIGATION))))))	CASE NO. 1:17-MD-2804 Judge Dan Aaron Polster
THIS DOCUMENT RELATES TO: <i>“Track One Cases”</i>		

**PLAINTIFFS (FIRST) COMBINED DISCOVERY REQUESTS
TO DISTRIBUTOR DEFENDANTS**

COMES now the Track One Case Plaintiffs, by counsel, and submit the following discovery requests pursuant to Rules 33 and 34 of the Federal Rules of Civil Procedure to the Distributor Defendants. Plaintiffs previously served a first set of interrogatories and request for production of documents upon the Distributor Defendants. Since then, the Distributor Defendants responded to the discovery requests in full, in part or not at all. Moreover, all of the responses complained of “vagueness” resulting in a series of meet and confers. Finally, the Special Master recently provided guidance in *Discovery Ruling 2* on the geographical and temporal scope of discovery. As a result, this third set of discovery (but first in a combined format) is designed to synthesize and state with precision some basic elements of discovery requested by the Plaintiffs.

COMBINED DISCOVERY REQUESTS

1. Please produce all *transactional data* related to Opioids and/or Opioid Products from January 1, 1996 to the present; please identify the Bates stamp range for each related to *Case Track One*.
2. Please produce each of your *Suspicious Order Monitoring System (SOMS)* policies and procedures since January 1, 2006 and identify the Bates stamp range for each; please identify the effective date(s) each was in force and effect.

3. Please identify and describe each *suspicious order* your Suspicious Order Monitoring System (SOMS) identified since January 1, 2006 and produce all documents related thereto; please identify the Bates stamp range for each related to *Case Track One*.

4. Please identify each suspicious order you *reported* to the DEA since January 1, 1996 and produce all documents related thereto; please identify the Bates stamp range for each related to *Case Track One*.

5. For each suspicious order you identified but did not report to the DEA since January 1, 2006, please describe in as much detail as possible the reasons and produce all documents related thereto; please identify the Bates stamp range for each related to *Case Track One*.

6. For each suspicious order you reported to the DEA since January 1, 2006, please identify whether you *declined* the order or *shipped* the order and produce all documents related thereto; please identify the Bates stamp range for each related to *Case Track One*.

7. For each suspicious order you reported and then shipped since January 1, 2006, please produce all documents related to your “*due diligence*” for each; please identify the Bates stamp range for each related to *Case Track One*.

8. Please produce and identify the Bates stamp range of all communications to and/or from the DEA since January 1, 2006, related to Opioids and/or Opioid Products (including the 2006/2007 “*Rannazzisi letters*”).
